Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.

Michel Foucault (1926-1984) was a French historian and philosopher, associated with the structuralist and post-structuralist movements. He has had strong influence not only (or even primarily) in philosophy but also in a wide range of humanistic and social scientific disciplines.

Michel Foucault (Stanford Encyclopedia of Philosophy)

Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth because there is no truth in him.
