In addition to your manager, the prescribing officer and the pharmacist, there are a number of places where you can access information about the medicines being

Section 5: How to Access Information About Medication

Abstract. Up to 1 million people in the UK are currently long-term prescribed benzodiazepine users. 1
Surveys of general practices show that there are over 180 long-term prescribed users per general practice. 2
Despite repeated recommendations to limit benzodiazepines to short-term use (2â€“4 weeks), doctors in the UK and worldwide are still prescribing them for months or years.

Benzodiazepines Revisited | British Journal of Medical

The following guidance is based on the best available evidence. The full guideline gives details of the methods and the evidence used to develop the guidance. People have the right to be involved in discussions and make informed decisions about their care, as described in your care. Making decisions ...
