

### **building your team the pdf**

Team building is a collective term for various types of activities used to enhance social relations and define roles within teams, often involving collaborative tasks. It is distinct from team training, which is designed by a combine of business managers, learning and development/OD (Internal or external) and an HR Business Partner (if the role exists) to improve the efficiency, rather than ...

Another Gallup study reported that engaged companies consistently outperform the competition when it comes to things like profits, productivity, and turnover. (Pretty important stuff if you ask us.) And it stands to reason – the closer you are to your co-workers, the happier you™ll be at work, and the more likely you™ll be to sacrifice your discretionary time to help them succeed.
