Project Prevention supports drug treatment and believes all addicts should have the opportunity to seek and find it. Since we all know there is a lack of drug treatment available to addicts at times I think we can all agree that being on birth control unless/until they have the opportunity to get clean is a positive step for all addicts/alcoholics.

Project Prevention - Children Requiring a Caring Community

Going home with a new baby is exciting, but it can be scary, too. Newborns have many needs, like frequent feedings and diaper changes. Babies can have health issues that are different from older children and adults, like diaper rash and cradle cap.. Your baby will go through many changes during the first year of life. You may feel uneasy at first.

Proverbs 31:8-9 8 Speak up for those who cannot speak for themselves, for the rights of all who are destitute. 9 Speak up and judge fairly; defend the rights of the poor and needy.. Introduction In the church today, it seems that God's concern for the poor and marginalized 1 is often overlooked. We give necessary attention to spiritual matters, but often completely neglect the physical.

Social Concern "Caring for the Poor and Marginalized

People value books either because of their contents or because of their physical characteristics. First editions of important literary or historical works and initial reports of scientific discoveries or inventions are prime examples of books that are important because of their contents.
