The history of cars, and transportation in general, in the United States is a long and important one. Transportation changes have created the culture and landscape of America. These changes have impacted the lives and historical events of Americans and the world since the colonial era, and even before. Although travel is constantly evolving, electric and self-driving cars are

Airplanes, Boats, Cars, Trains and Trucks in Picture books.

Kids can stay with adults on planes and trains, whereas many times pets cannot. They need to be underneath the plane with luggage, and can become scared and sick. Traveling by car is easiest when a pet is taken along. Flexibility â€œ When traveling by car, you can change your plans as you go.

Traveling by Car, Plane or Train? - Inn on the Drive

Planes, Trains and Automobiles is a 1987 American comedy film written, produced, and directed by John Hughes. The film stars Steve Martin as Neal Page, a high-strung marketing executive, who meets Del Griffith, played by John Candy, an eternally optimistic, outgoing, overly talkative, and clumsy shower curtain ring salesman.
