For the better part of a decade, strategy has been a business buzzword. Top executives ponder strategic objectives and missions. Managers down the line rough out product/market strategies.

### **Strategic Management for Competitive Advantage**

The federal judiciary is respected throughout America and the world for its excellence, for the independence of its judges, and for its delivery of equal justice under the law. Through this plan, the judiciary identifies a set of strategies that will enable it to continue as a model in providing fair and impartial justice.
