In sociology, a discipline that arose in direct response to the social problems of "modernity" (Harriss 2000, 325), the term most generally refers to the social conditions, processes, and discourses consequent to the Age of Enlightenment. In the most basic terms, Anthony Giddens describes modernity as ...a shorthand term for modern society, or industrial civilization.

Modernity - Wikipedia

"Civilization" can also refer to the culture of a complex society, not just the society itself. Every society, civilization or not, has a specific set of ideas and customs, and a certain set of manufactures and arts that make it unique.
