Music can be a great way to connect with your students. Even students who aren't fluent in English often know the words of popular songs phonetically, which makes these songs ideal resources for teaching your students certain forms of grammar, as well as vocabulary. Many students are happy to work with the unusual phrasing of song lyrics, because they're learning new meanings for a piece of ...

Business simulation games, also known as economic simulation games or tycoon games, are games that focus on the management of economic processes, usually in the form of a business. Pure business simulations have been described as construction and management simulations without a construction element, and can thus be called management simulations. Indeed, micromanagement is often emphasized in ...
