

communicative planning theory pdf

The communicative approach to planning (especially represented by Forester 1985, 1989, 1993) has offered an alternative approach to practicing planners (Lauria & Whelan 1995) uncomfortable with an instrumental rationality that leaves values undiscussed or unspecified.

Communicative planning theory and community initiatives

multi-stakeholder settings, planning theory - specifically communicative planning theory - has been encouraged as procedural theory for regional natural resource management. However, there has been limited empirical evaluation of this concept - particularly in natural resource management contexts.

A Critical Analysis of Communicative Planning Theory as a

After communicative planning theory emerged in the 1980s, challenging assumptions and prevailing theories of planning, debates ensued among planning theorists that led to apparently opposing groups with little space for mutual learning.
