The Assembly or Put-Together class includes those puzzles which entail the arrangement of pieces to make specific shapes in either two or three dimensions, to mesh in a particular way (without necessarily interlocking) or to fill a container or tray. The pieces are free to be juxtaposed in many different configurations but only one or a few arrangements will be valid solutions.

The Psychology of Security. I just posted a long essay (pdf available here) on my website, exploring how psychology can help explain the difference between the feeling of security and the reality of security.. We make security trade-offs, large and small, every day. We make them when we decide to lock our doors in the morning, when we choose our driving route, and when we decide whether we're ...
