Increasing capacity on a railway is not just about running more (or longer) trains. If the associated stations can't cope with the increased passenger numbers, then remedial action is needed. Here, we look at major upgrades at Underground stations in general and at Holborn in particular. Shut them out Congestion at the station " photo from consultation document If too many people are ...

The Assembly or Put-Together class includes those puzzles which entail the arrangement of pieces to make specific shapes in either two or three dimensions, to mesh in a particular way (without necessarily interlocking) or to fill a container or tray. The pieces are free to be juxtaposed in many different configurations but only one or a few arrangements will be valid solutions.

The Psychology of Security. I just posted a long essay (pdf available here) on my website, exploring how psychology can help explain the difference between the feeling of security and the reality of security.. We make security trade-offs, large and small, every day. We make them when we decide to lock our doors in the morning, when we choose our driving route, and when we decide whether we're ...

The issue here is not so much that he got something wrong, but that he is capable of presenting a theory in all seriousness that gives results that are so far from reality without even stopping to notice. If you're trying to present a theory that's supposed to represent reality, surely you would ensure that you (a) understand what your answers mean, and (b) take every opportunity to compare ...
