DEMOCRATIC GOVERNANCE: THEORY AND PRACTICE IN DEVELOPING

Concentration of media ownership (also known as media consolidation or media convergence) is a process whereby progressively fewer individuals or organizations control increasing shares of the mass media. Contemporary research demonstrates increasing levels of consolidation, with many media industries already highly concentrated and dominated by a very small number of firms.

Overview. Portugal had been governed by an authoritarian dictatorship, the Estado Novo or New State (which was considered fascist), for over four decades. The revolution changed the government to a democracy and produced enormous social, economic, territorial, demographic and political changes. These changes evolved during (and after) a two-year transitional period known as Processo ...
