Technologies de l'information et de la communication (TIC : transcription de l'anglais information and communication technologies, ICT) est une expression, principalement utilisée dans le monde universitaire, pour désigner le domaine de la technologie, c'est-à-dire les techniques de l'informatique, de l'audiovisuel, des multimédias, d'Internet et des télécommunications qui permettent ...

Technologies de l'information et de la communication

A portable source of light probably started with a cave man carrying a burning stick of wood. There have been many portable light sources based on burning something. Once the dry cell battery became available flashlights became more popular than they were when a lead acid or other wet battery was needed.
