

### **entrepreneurship business development pdf**

Entrepreneurship Development 1 Entrepreneurship is the art of starting a business, basically a startup company offering creative product, process or service. We can say that it is an activity full of creativity. An entrepreneur perceives everything as a chance and displays bias in taking decision to exploit the chance.

Chandler was ambivalent about the autonomous role of entrepreneurs in shaping the trajectory of business development. By 1970 a clear shift had taken place in American business history research toward building an "organizational synthesis" of the emergence of the modern, multi-divisional corporation (Galambos 1970).
