

European security and defence pdf

The Common Security and Defence Policy (CSDP) is the European Union's (EU) course of action in the fields of defence and crisis management, and a main component of the EU's Common Foreign and Security Policy (CFSP).. The implementation of the CSDP involves the deployment of military or civilian missions for peace-keeping, conflict prevention and strengthening international security in ...

Recent years have seen an increase in attacks against state representatives, notably the police, across Germany. Some perpetrators of those attacks have been found to represent an ideology that opposes the state and its representatives and, more specifically, considers the modern German state to be illegitimate.
