you're sent a important email to your colleague but it is lost in the deluge of emails they receive every day, buried and forgotten. They can obviously use Gmail search operators, like FROM: or SUBJECT:, to locate that email later but wouldn't it be useful if there were a way to directly locate that one missing email in their mailbox.

The Assembly or Put-Together class includes those puzzles which entail the arrangement of pieces to make specific shapes in either two or three dimensions, to mesh in a particular way (without necessarily interlocking) or to fill a container or tray. The pieces are free to be juxtaposed in many different configurations but only one or a few arrangements will be valid solutions.
