A cover letter, though not a compulsion for application for any job, is an extremely useful tool which can be used by prospective applicants to give the interviewer or the employer a brief idea or a conception of their interest and the expertise level. The format of cover letter should be extremely formal and crisp and should contain a qualitative view of the resume attached.

What should an attorney cover letter do for you? At the very least, it should answer the question: Why should we hire you? A legal cover letter should grab an employer's attention, and persuasively make a case as to why you, above all other attorney applicants, should be contacted for an interview.

Letterboxing is the practice of transferring film shot in a widescreen aspect ratio to standard-width video formats while preserving the film's original aspect ratio. The resulting videographic image has mattes (black bars) above and below it; these mattes are part of the image (i.e., of each frame of the video signal). LBX or LTBX are the identifying abbreviations for films and images so ...
