Classic; Concept; Convertible An open-air roadster or convertible sports car is the stuff dreams are made of. During a spirited morning drive there is nothing better than a big engine, small car and open top heaven. Convertible sports cars can be small, light and lithe like the Mazda MX-5 or hypercar performance monsters like the 458 Speciale Spyder or Lamborghini Aventador roadster.

A colossal battle between Ferrari and Porsche produced awe-inspiring, mid-engine, 5-liter World Sports Car Championship machines that reached astonishing speeds and sudden and dramatic ends. Within this

context, Chinetti focused on not only the WSC machines, but also the GT cars that filled out the endurance race field.

365 GT 2+2 was introduced at Ferrari's favorite launch site, the Paris Salon in late 1967. During its four year production run, the 365 GT 2+2 would account for about half of Ferrari's total unit sales. For a time it was the only car Ferrari sold in the United States due to stronger emission regulations that came into effect in 1968.

The last thing you want is to buy a Ferrari and then find that it is not driveable because of a fault in the mechanics or elsewhere. Therefore a service manual is an important thing to have. Such repair guides can be worth a great deal to the owner because of the amount of money they potentially save.
