

The Broken Arrow Freshman Academy serves students in ninth grade through a number of academic and extracurricular course offerings, all of which prepare them for the transition into high school. To increase engagement and success, students at the Freshman Academy are grouped into small learning communities known as teams, with peers who have similar class schedules and teachers.

Easing the Transition to High School: Effects of a Freshman Academy on Student Success 1. Introduction
The ninth grade marks a critical transition point in the US education system with the students moving into high school, where they face a different instructional environment and more intense academic pressures.
