threatened by the pain. At the same time, you learn how to deal with pleasure. It's so easy, when there's a sense of pleasure in the body, just to drop the breath and forget about your meditation and to indulge in the pleasure. That's something you also have to work to overcome. It's not that you want to destroy the pleasure, it's ...

Pleasure & Pain

out of pain and into pleasure. Thus, if we want to create permanent and consistent change, what we must do is develop a new set of patterns of how to get out of pain and into pleasure. In other words, in order to create lasting change, we must use pain to get people's attention and motivate them to want to make the change, but then we
