Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".

Entrepreneurship - Wikipedia

Welcome. INSEAD's faculty excel in developing research that inspires, supports and challenges business leaders across industries. In an open and collaborative intellectual environment, our culturally diverse academics stand at the frontiers of new knowledge creation that is both rigorous and relevant but also a driving force for change in business and society.

Social entrepreneurship as a focus of academic enquiry has a relatively brief history. A summary of the social entrepreneurship literature presented in Table 1 suggests a number of themes, preoccupations and domains. Social entrepreneurship may be expressed in a vast array of economic, educational, research, welfare, social and spiritual activities engaged in by various organizations ...

Investigating social entrepreneurship: A multidimensional

International Journal of Business and Economics Research (IJBER) serves as an essential resource and provides practical information for people who apply economics on their jobs. The aim of IJBER is to publish research articles on business and economics sciences, and other social sciences that are related to business and economics for contributing to the international social sciences literature.

The current research explores the relationship between living abroad and self-concept clarity. We conducted six studies (N = 1,874) using different populations (online panels and MBA students), mixed methods (correlational and experimental), and complementary measures of self-concept clarity (self-report and

self-other congruence through 360-degree ratings).

The shortest path to oneself leads around the world
