This part of the globalissues.org web site looks into some of the issues relating to food aid and poverty. At first thought, food aid is noble. However, the way it has turned out has increased dependency of poor people, furthering poverty and hunger itself as a lot of food aid has turned out to be food dumping.

If I asked you which of these vitamins was found naturally in food, folate or folic acid, would you know the answer? If not, you're in good company. Medical professionals, nutrition experts, and health practitioners frequently mix up the two, simply because the terms are often used interchangeably. Many health professionals would even argue that folate and folic acid are essentially the same ...
