In social work, a caseworker is similar to a type of social worker who is employed by a government agency, non-profit organization, or another group to take on the cases of individuals and provide them with advocacy, information or other services. They are not required to have a social work degree or licensure as do Social Workers. Also, in political arenas, caseworkers are employed as a type ...

Caseworker (social work) - Wikipedia

Social work is an academic discipline and profession that concerns itself with individuals, families, groups and communities in an effort to enhance social functioning and overall well-being. Social functioning refers to the way in which people perform their social roles, and the structural institutions that are provided to sustain them. Social work applies social sciences, such as sociology ...

OVERVIEW. The overall goal for the Quality and Safety Education for Nurses (QSEN) project is to meet the challenge of preparing future nurses who will have the knowledge, skills and attitudes (KSAs) necessary to continuously improve the quality and safety of the healthcare systems within which they work.

QSEN Competencies

The evidence base for the effective treatment of personality disorders is insufficient. Most of the existing evidence on personality disorder is for the treatment of borderline personality disorder, but even this is limited by the small sample sizes and short follow-up in clinical trials, the wide range of core outcome measures used by studies, and poor control of coexisting psychopathology.
