Amber is fossilized tree resin, which has been appreciated for its color and natural beauty since Neolithic times. Much valued from antiquity to the present as a gemstone, amber is made into a variety of decorative objects. Amber is used in jewelry. It has also been used as a healing agent in folk medicine. There are five classes of amber, defined on the basis of their chemical constituents ...

In classical scholarship, the editio princeps (plural: editiones principes) of a work is the first printed edition of the work, that previously had existed only in manuscripts, which could be circulated only after being copied by hand.. For example, the editio princeps of Homer is that of Demetrius Chalcondyles, now thought to be from 1488. The most important texts of classical Greek and Roman ...
