And they can strive to be perspective takers, not just empathizers, gathering knowledge about others that can lead to more-productive allocations of time that will benefit the organization as a whole.

### **In the Company of Givers and Takers - hbr.org**

Successful givers, it turns out, are just as ambitious as takers and matchers. There are two types of givers, and they have dramatically different success rates. Selfless givers are people with high other-interest and low self-interest. They give their time and energy without regard for their own needs, and they pay a price for it.
