

gods at war combat pdf

A war deity is a god or goddess in mythology associated with war, combat, or bloodshed. They occur commonly in both monotheistic and polytheistic religions.. Unlike most gods and goddesses in polytheistic religions, monotheistic deities have traditionally been portrayed in their mythologies as commanding war in order to spread their religion.

List of war deities - Wikipedia

War is a state of armed conflict between states, governments, societies and informal paramilitary groups, such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types of war, or of wars in general.
