Depending on the weather and the herb's moisture content, your herbs may be completely dry in just a couple days, while others may take several days. For drying roots, you first want to wash the soil off of them.

A Resource Guide - Numen: The Healing Power of Plants

Many herbs fit into more than one class, making any herb garden a source of attraction, fragrance, as well as healthy and flavorful eating. What kind of herb garden will you grow? Deciding from over 70 herb cultivars can be difficult, but you can grow a special herb garden by choosing herbs according to class.
