History of American Political Parties 1848 Whig Party candidates Zachary Taylor & Millard Fillmore History of American Parties • Six •party systems• or historical eras • Changes in the nature of the two parties • Which voters support which party • What issues each party adopts

### **History of American Political History of American Parties**

Background Note: Political parties are not mentioned in the Constitution, which was written in 1787. George Washington did not need a party to help him define issues of importance to the new republic. The United States developed a two-party system (for better or worse) beginning roughly in 1792 and continuing until the present.
