The exclusive added feature is the mention of predominant miasm and homeopathic therapeutics of all conditions given in the book. A separate section on emergencies has also been included. For the convenience of students, the book has been divided into three broad sections. 1. Principles of Homeopathic Practice; 2.

### **Homeopathic Principles & Practice of Medicine**

The word Homeopathy is a Greek derivation where "homeos" means "similar" and pathos means "suffering". So Homeopathy may be defined as the therapeutic method of symptom-similarity. The recognition of this law was there even before Hahnemann. Paracelsus, Hippocrates, and ancient ayurvedic texts have on occasions mentioned this law.
