Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.

Universal Remote Control Codes

Universal remote controls are a dime a dozen these days, and I bought one as a backup to my other remotes. The only problem with these things is that you need to know the codes of the remotes you want to emulate, and these codes are usually in the manual.

Universal Remote Control Codes

First is our collection of in-house programming guides. These are instructions for certain popular remote control models that we've written ourselves - you should find them easier to understand and more direct than the original manuals.
