start with why "how great leaders inspire everyone to take action" Written in 2009, Start With Why delves into what is described as a naturally occurring pattern, grounded in the biology of human decision-making, that explains why we are inspired by some

START WITH WHY - Dr. Marri Channa Reddy Human Resource

"People don't buy what you do, they buy why you do it". This changed almost completely the way I approach the selling process. This represents for me the real differentiator that makes you successful in your business. When you don't start with why, you probably compete on the what and how but this doesn't make you really unique.
