Tumor board review is conducted when teams of expert physicians meet to review and discuss complex patients with a diagnosis of cancer. It is a treatment planning approach in which a number of doctors who are experts in different medical specialties review and discuss the medical condition and treatment options of a patient. In cancer treatment, a tumor board review may include that of a ...

A role-playing game (sometimes spelled roleplaying game and abbreviated to RPG) is a game in which players assume the roles of characters in a fictional setting. Players take responsibility for acting out these roles within a narrative, either through literal acting or through a process of structured decision-making of character development. Actions taken within many games succeed or fail ...
